## **EDUCATION**

### **University of Illinois Chicago**

August 2023 – May 2029 (expected graduation), Chicago, IL  
*Clinical Psychology PhD student*

### **Indiana University School of Medicine**

August 2020 – May 2021, Bloomington, IN  
*Doctor of Medicine*  
Focus: Human Sexuality and Health Scholarly Research Concentration

### **Indiana University Bloomington**

Graduated May 2019  
Degree: Neuroscience, Department of Psychological & Brain Sciences  
*Bachelor of Science with Highest Distinction*  
Degree: Slavic & East European Languages & Cultures, Department of Slavic & East European Languages and Cultures  
*Bachelor of Arts with Highest Distinction*  
Minor: Psychology  
GPA: 3.9

**Lee, M.**, Uribe, V., Hsueh, L. The Association of Nativity and Mental Health Treatment Use Among Asian and Latine Groups: Data from the National Health and Nutrition Examination Survey (NHANES). Presented at the 45<sup>th</sup> Annual Society of Behavioral Medicine 2024, Philadelphia, PA.

Uribe, V., Diaz, V., **Lee, M.**, Hsueh, L. Is WIC Enrollment Associated with Mental Health Care Engagement?: Data from NHANES 2007-2011. Presented at the 45<sup>th</sup> Annual Society of Behavioral Medicine 2024, Philadelphia, PA.

**Lee, ME**, Izah, JC, Plebanek, DJ, James, KH. (May, 2019). *The Influence of Variability on Neural Underpinnings of Categorization*. [Poster presentation]. Center of Excellence for Women & Technology Annual Research Poster Competition; Bloomington, IN.

*Awarded 2<sup>nd</sup> place for best original research, Health and Behavioral Sciences category*

### **Invited Presentations**

Messmore, N., Mohamed, D., **Lee, M.**, Fazle, T., Dharla, J., (April, 2021). *A Day Without A Minoritized Student*. [Virtual presentation]. Indiana School of Medicine Research Day; Indianapolis, IN.

## **HONORS AND AWARDS**

**University Fellowship**, University of Illinois Chicago Graduate College (\$58,000)

**Graduate School Application Scholarship**, American Academy of Clinical Neuropsychology  
(*Student Pipeline Subcommittee*) (\$500)

**Clinical Psychology Application Workshop for Underrepresented Populations**,  
Case Western Reserve University (*Accepted and attended*)

**Distinguished Diversity/Inclusion Champion Award**, Indiana University School of Medicine

**High Academic Standing**, Indiana University School of Medicine

**Graduation with Highest Distinction**, Indiana University

**Phi Beta Kappa**, Indiana University

**Hudson and Holland Scholars Program**, Indiana University (\$6,000)

**Indiana University Provost Scholarship**, Indiana University (\$4,000)

**Hutton Honors College**, Indiana University

## **PROFESSIONAL AFFILIATIONS**

Student Member, American Psychosomatic Society	2023-Present
Student Member, Society of Behavioral Medicine	2023-Present
Volunteer Member, Asian Americans Advancing Justice, Chicago	2023-Present

## **RESEARCH EXPERIENCE**

### **Health Services to Advance Equity in Diabetes Lab**

June 2023 - Present, Chicago, IL

Principal Investigator: Dr. Loretta Hsueh

*Graduate Research Assistant*

- Design and analyze independent research project describing immigrant mental health treatment use among Latine and Asian populations
- Conduct secondary data analysis of national, epidemiological datasets querying health services and outcomes information
- Author and submit original research to disseminate findings regarding immigrant mental health and promote equitable outcomes for non-US native, racial/ethnic minoritized populations
- Network with community-based and academic health systems to foster future collaborative research partnerships

### **University of Southern California, Department of Psychology**

February 2022-February 2023, Los Angeles, CA

Principal Investigator: Dr. Stanley Huey Jr.

*Volunteer Research Assistant*

- Analyzed and coded empirical articles for a meta-analysis examining gender differences in intervention effects for females in the juvenile justice system
- Collaboratively developed coding manual for studies and articles included in meta-analysis

### **National Institute of Diabetes and Digestive and Kidney Diseases**

June 2019-June 2020, Bethesda, MD

Principal Investigator: Dr. Jenny Blau

*Postbaccalaureate Intramural Research Training Award Fellow*

- Authored two scientific manuscripts of primary, novel research published in peer-reviewed, academic journals
- Maintained a longitudinal, real-time database of 200+ sensitive patient data using REDCap and Excel softwares
- Interviewed and surveyed patients in out-patient clinical and in-patient hospital settings
- Gathered and analyzed data for retrospective clinical study using physical and electronic chart review
- Reviewed and compiled over 25 scientific articles and clinical trials for writing of clinical overview

### **Indiana University Department of Psychological and Brain Sciences**

September 2017-May 2019, Bloomington, IN

Principal Investigator: Dr. Karin James

*Undergraduate Research Assistant*

- Recruited child participants for research studies and obtained informed consent from participant families
- Scheduled and executed fMRI experimental runs with child participants
- Designed categorization stimuli for experimental runs
- Prepared and presented capstone research poster on role of variability in word categorization

### **Indiana University School of Medicine Department of Nephrology**

March-May 2015, Indianapolis, IN

Principal Investigator: Dr. Tarek El-Achkar

*Volunteer Research Assistant*

- Captured and analyzed light microscopy images of nephritic macrophages

## **SUPERVISED CLINICAL EXPERIENCE**

### **Office of Applied Psychological Services**

August 2023 - present, Chicago, IL

*Graduate student training clinician*

## **SELECTED COURSEWORK**

### **Statistical Research Design and Analysis**

August 2023 - May 2024, Chicago, IL

- Year-long course in advanced statistical methods covering the foundations of linear and logistic regression using R statistical software

## **LEADERSHIP AND SERVICE**

### **Policy Advocate, Language Equity and Access (SB3762) campaign**

May 2024, Springfield, IL

### **Abstract Reviewer for American Psychosomatic Society 2024 Annual Conference**

October 2023, Chicago, IL (under supervision of Dr. Loretta Hsueh)

### **Graduate student panelist, Psychology Undergraduate Readiness in Research**

October 13, 2023, Chicago, IL

- Contributed to panel catered towards underrepresented students in academia to offer advice regarding undergraduate research involvement

### **Co-Vice President, Student National Medical Association (SNMA)**

2020-2022, Indianapolis, IN

- Coordinated events for minority-identifying (predominantly Black and first-generation) medical students to cultivate community, gain academic and emotional support, and diversify academic medicine

### **Regional Campus Representative & Public Relations Chair, Asian Pacific American Medical Student Association (APAMSA)**

2020-2022, Bloomington, IN

- Promoted events highlighting diversity and social/racial justice education for all APAMSA members
- Presented recent reporting and data from academic journals on the public health implications of anti-Asian rhetoric and prejudice to medical students

### **Speaker Series Coordinator, Second Annual Black History Month Speaker Series**

February 2022, Indianapolis, IN

- Organized virtual Speaker Series by inviting professional speakers and developing session content on advocacy for culturally-informed mental healthcare for gender and racial minority patients

### **Crisis Hotline Volunteer, Middle Way House**

2018-2019 & September 2020-May 2021, Bloomington, IN

- Facilitated trauma-informed support for people experiencing relationship violence/abuse over telephone communication by emphasizing client advocacy, community-based mental health resources, crisis management skills, and survivor-centered empowerment
- Presented inclusive, engaging, and interactive discussion curriculum to 100+ middle and high schoolers that focused on reducing relationship violence and reinforcing healthy communication

### **Sub-Committee Leader, Inaugural Black History Month Speaker Series**

February 2021, Indianapolis, IN

- Collaborated with invited speaker to develop content for session to actionably combat Black maternal morbidity/mortality attended by 60+ medical trainees
